FEED ST. MARY'S FAMILY FOOD FESTIVAL – SEPTEMBER 16, 2021

In March of 2020, the Feed St. Mary's Food Bank received its first truck from the Maryland Food Bank. This signaled a new milestone in FSM's presence in St. Mary's County. The plan was to have a "First Drop Celebration" to mark the occasion and celebrate with our partners. Unfortunately, as we were putting together our celebration, COVID-19 was putting a halt to public gatherings. Feed St. Mary's received that truck – and many others in the months that followed. Through the assistance and cooperation of a multitude of partners, Feed St. Mary's was able to hit the ground running and made a significant difference in addressing food insecurity in the county. However, we missed out on celebrating with our friends and co-workers! Now that the health situation is improving and limitations are being relaxed, Feed St. Mary's is ready to party!

More information is to come, but for now, please mark your calendars and plan to join us for our celebration on **Thursday; September 16** at the Feed St. Mary's warehouse (46041 Signature Lane; Lexington Park).
